**MISSING STUDENT POLICY**

The College for Creative Studies (CCS) takes student safety seriously and has established the following policy if a currently enrolled student is reported missing. This plan is a good faith effort to comply with the August 14, 2009 Higher Education Opportunity Act, Section 485 (j), as implemented by 34 C.F.R. § 668.46(h).

A student will be deemed missing when it has been established that they have been absent from the College and have been reported by an individual to be missing for a period of 24 hours or more. Reports of students missing should be directed to the Office of Student Affairs or Campus Safety. After a missing student report has been made, the College will attempt to locate the student. If the student cannot be located, the emergency contact person will be notified. In the case of residential students, this emergency contact person is the person listed on the housing application. For all other students, the emergency contact person, if provided, is listed in the College's database system. Students also have the option to declare a separate emergency contact person to be used if they are reported missing, and can do so through the Office of Student Affairs. If the student is under the age of 18 and not emancipated, their parent or guardian will be notified, in addition to any additional contact person designated by the student. In addition, local law enforcement will be notified that the student is missing within 24 hours of a determination that the student is missing.
