

MFA Integrated Design

Computer and Technology Requirements 2018-19

Graduate students enrolling at The College for Creative Studies will be required to own or purchase a laptop computer for their studies. The information below provides the recommended minimum hardware configuration and software requirements. Students will also have access to computers in the Graduate Lab and other sites on campus which will provide access to the software.

If you have any questions about computer or software purchases, please contact Laurie Evans, Director of Academic Technologies at 313-664-1501 or levans@collegeforcreativestudies.edu.

Be sure to use your **educational discount** available at Apple Stores or the Apple online educational store (<https://www.apple.com/us-hed/shop>). For information on Dell educational discounts, please contact Chris_Pringle@Dell.com with your name, address, phone, and email.
